Graduation Photographs: Commencement Photos in Tewksbury, MA, will be taking pictures during the exercises, including a picture of each student receiving his/her degree. The company will be contacting each student regarding print orders.

Taking Pictures: Degrees are awarded by program. Anyone planning to take a picture of a student receiving his/her degree, and who wishes to stand in the reserved area for picture taking, must know the program of study from which the student is earning the degree. As space is limited, individuals will be allowed in the reserved area in accordance with the order listed in the program.

Videotapes: The Graduation Ceremony has been professionally videotaped. Orders and payment to the Cape Cod Community College Educational Foundation may be made at a table at the President's Reception in the Grossman Commons. The cost is \$15.

The Academic Procession and Regalia

Traditional commencement academic procession and regalia date back to the Middle Ages. Voluminous gowns were worn to ward off the damp and cold of medieval buildings; mortar boards were used as hats. When those styles were abandoned by laymen, clergy and scholars continued to wear the robes, with variations in style and color identifying different monastic orders. The bachelor, master, and doctor gowns differ stylistically in cut and decorative motif.

Today the hood is especially important in identifying the academic achievements of its wearer. Originally, the hoods were worn over the head. A long tassel is attached to the middle point of the top of the cap to drape over the edge of the mortar board. Tassels may be black, gold, or a color appropriate to the academic field of the wearer. The colors of the hood lining indicate the institution granting the degree. The width of the velvet trim indicates the highest degree held; the color of the trim indicates the field of study.

An intercollegiate code representing different departments of learning has set the standards for academic dress in the United States. The colors are assigned as follows:

Agriculture	<i>Maize</i>	Medicine	<i>Green</i>
Arts, Letters, Humanities	<i>White</i>	Music	<i>Pink</i>
Business Administration	<i>Drab</i>	Nursing	<i>Apricot</i>
Dentistry	<i>Lilac</i>	Oratory	<i>Silver Gray</i>
Economics	<i>Copper</i>	Pharmacy	<i>Olive Green</i>
Education	<i>Light Blue</i>	Philosophy	<i>Dark Blue</i>
Engineering	<i>Orange</i>	Physical Education	<i>Sage Green</i>
Fine Arts	<i>Brown</i>	Public Administration	<i>Peacock Blue</i>
Forestry	<i>Russet</i>	Public Health	<i>Salmon Pink</i>
Home Economics	<i>Maroon</i>	Science	<i>Gold-Yellow</i>
Journalism	<i>Crimson</i>	Social Science	<i>Citron</i>
Law	<i>Purple</i>	Theology or Divinity	<i>Scarlet</i>
Library Science	<i>Lemon</i>	Veterinary Science	<i>Gray</i>

The office of mace bearer is purely ceremonial. It derives from medieval times in England when an official was taking office or opening his court and needed a bodyguard. Then the mace, a formidable weapon, was held ready to protect the person of the dignity.

From the sixteenth century in England and since colonial days in America, it has become a symbol of office only, and is carried by a distinguished member of the faculty. The mace bearer, who immediately precedes the president both entering and leaving the ceremony, while often not included in today's exercises, remains popular on the older campuses in the East.

At Cape Cod Community College, the academic regalia of the Board of Trustees correspond to doctoral caps and gowns with gold tassels; the colorful hoods lined with red display the College colors of silver and blue. Faculty robes signify the wearer's respective university and discipline. The mace, a gift of the Class of 1984, is borne by the Grand Marshal who leads the academic procession.

The community is our campus ... the citizenry is our student body

Cape Cod Community College has been delivering educational programs and services to meet the diverse needs of the residents of Cape Cod, the Islands, and adjacent areas of Southeastern Massachusetts for forty years. As the sole comprehensive college on Cape Cod, it provides the only access to higher education for many residents.

The College is a student-centered learning community that prepares students for a rapidly changing and socially diverse global economy. To this end, it provides degrees in the liberal arts and sciences; career and technical degrees and certificates; and workforce education.

A strong liberal arts focus contributes (1) a foundation for transfer to baccalaureate programs; (2) general education that supports technical and career programs with communication and analytical competencies as well as broadly based liberal education; and (3) cultural opportunities for the region.

Its career and technical programs support unique workforce and economic needs in such fields as the hospitality and tourism industry, healthcare, environmental technology, and business with particular emphasis on small business and information technology. These programs provide opportunities for immediate employment and for transfer to professional baccalaureate programs. In addition, the College provides both credit courses and non-credit customized training to meet continuing education needs of employees and employers.

The success of the College has always depended upon its tradition of excellence. Thus the College truly belongs to the people it serves and who support it, and it must respond to individual and community needs. For four decades, the College has served as the foundation of post-secondary educational opportunity, career development, and cultural activity for the area and its residents. Thousands of area residents have either earned a degree, learned or updated job skills, or simply benefitted from the College's cultural offerings. In 1961, 166 students enrolled at the College. Today, we have an enrollment of over 4,000 students per semester during the day and evening.
